I hereby declare that:

Each inventor's residence, mailing address and citizenship are stated below next to their name.

I believe the inventors named below to be the original and first inventor(s) of the subject matter which is described and claimed in patent number 5,988,045, granted November 23, 1999, and for which a reissue patent is sought on the invention entitled Utensil Supporting Multiple Cooking Environments For Preparing Food

the specification of which

☐ is attached hereto.

☒ was filed on November 23, 2001 as reissue application number 09/991,890

and was amended on _____
(if applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

☐ I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or (f), or 365(b). Attached is form PTO/SB/028 (or equivalent) listing the foreign applications.

I verify I believe the original patent to be wholly or partly inoperative or invalid, for reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

This is a broadening reissue.

The nature of the broadening is focused on claiming a cooking utensil with multiple cooking environments that has a base member with a cooking surface, a grill member supported by the base member and a cover member to act as a closure mechanism for the device.

All errors which are being corrected in the reissue application up to the time of filing of the Oath/Declaration are without any deceptive intention on the part of the applicant.
